TECHNICAL COMMUNICATION SUMMER SCHOOL by TCeurope

Get started with Technical Communication!

2nd-5th JULY 2018

This is the plan!

In the morning, we will have some fundamental knowledge on...

Main Technical Writing Concepts
 Brief history of Technical Communication
 Differences between Scientific texts vs Literary texts
 Documentation creation process (Waterfall VS AGILE)
 Information typology
 Audience Analysis
 Information Design and Information Mapping

...and you will...

get started with some Tools

In the afternoon:

Hands-on Project!
