Additional Information

Benefits

The monthly amount of the scholarship corresponds to €930.98 (nine hundred and thirty euros and ninety-eight cents), according to the current FCT table in force (https://www.fct.pt/wp-content/uploads/2023/02/Table-of-Values-SMM_2023.pdf), and is paid in accordance with the provisions of the P.PORTO Research Grant Regulations, as per the Request for Expense Authorization (PAD) no. ISCAP5572. To the scholarship amount is added the payment of the Voluntary Social Insurance (SSV), in the amount of €142.21, as provided for in paragraphs 4 and 5 of Article 10 of the Research Fellowship Statute.

Pursuant to article 19 of the P.PORTO Research Grants Regulations, CEOS.PP is also charged with the payment of any travel, accommodation and food subsidies for travel within the country, abroad and abroad, authorized or determined by CEOS.PP and related to the aforementioned work plan. Payments for these charges are made under the conditions laid down in the regime practiced by ISCAP/P.PORTO, namely in the per diem allowance system applicable to public servants, with ISCAP/P.PORTO being responsible for assessing the respective legality.

Eligibility criteria

1. 1. to hold a Bachelor's Degree in one of the above fields
2. to be enrolled in a non-graduating programme:
 1. to be enrolled, upon signature of the grant contract, in a non-graduating programme offered by a Higher education Institution, in cooperation with one or more R&D units (cf. programmes referred to in line e) from no 3 of Article 4th of the Decree-Law no. 74/2006, of March 24, in its current wording};
 2. Not to exceed, with the conclusion of the scholarship contract, an accumulated period of two years in this type of scholarship, consecutive or interpolated.
3. If the applicants are master students, they should be enrolled, on the date of contracting the scholarship, in a master's degree.
4. If the applicants are doctoral students: they should have a master's degree and be enrolled, on the date of contracting the scholarship, in a doctoral degree.

Specific requirements:

1. 1. Proficiency in the use of information and communication technologies, namely in database, social networks or web pages management.
2. Level B2 of English
3. Level C2 of Portuguese

Selection process

1. 1. The selection methods to be used are:
 1. Curriculum Assessment, with a weighting of 50%;
 2. Interview, with a weighting of 50%, which will be applied to the first six candidates in the Curriculum Assessment series, in descending order of classification.

1. 1. The respective evaluation parameters are:
 1. Curriculum Assessment:
 - Final average of the degree required (between 10 and 12 values – 2 points; between 13 and 15 values – 4 points; between 16 and 18 – 6 points; and between 19 and 20 values – 10 points);
 - Training actions supplementary to the diploma, (up to 12h – 2 points; between 13h and 48h – 4 points; between 49h and 100h – 6 points; and more than 100h – 10 points).
 2. Interview:
 - Aims to evaluate: EPA) professional/academic experience; AC) behavioral aspects, namely those related to motivation and availability to fulfill duties, interpersonal relationships, oral communication skills and problem solving; AD) knowledge and experience in organizing, processing and analyzing data; ICT) proficiency in the use of information and communication technologies, namely in the management of databases, social networks and web pages.
 - This parameter is evaluated according to the classification levels of High, Good, Sufficient, Reduced and Insufficient, to which correspond, respectively, the classifications of 20, 16, 12, 8 and 4 values.
 - The final result (RF) of the interview is obtained through the simple arithmetic average of the classifications of the elements to be evaluated:
 - Interview RF = $(EPA+AC+AD+TIC) / 4$, being:
 - EPA - professional/academic experience;
 - AC - behavioral aspects;
 - AD - data organization, processing and analysis;
 - ICT - information and communication technologies.

2.
 - Candidates are excluded on the following grounds:
 1. Because they do not have the general and specific requirements required in point 2;
 2. Candidates who score less than 9.5 in the Interview;
 3. Failure to attend the Interview.
 - After analyzing the applications and evaluating the candidates according to the components in question, the candidates will be ranked in descending order of scores. In case of equality, the tiebreaker will be based on the best classification, in the following order:
 1. Interview;
 2. Curriculum Assessment.

3. If there is still a tie, the Jury will carry out a vote in which all members of the Jury vote, with the President of the Jury having the casting vote in case of new equality.

Additional comments

The call is open from May 24 to June 6, 2023.

Applications must be formalized by completing the electronic application form available in the Applications System, in <https://domus.ipp.pt/concursos/iscap/pessoal/>, . The form must be submitted by the deadline, together with the following mandatory documents:

1. Curriculum vitae, listing the admission requirements;
2. Bachelor's degree Certificate with, at least, the average/final grade and completion date; if the degree(s) was(were) awarded from a foreign higher education institution, the degree(s) recognition record(s) is/are also required, or, alternatively, a declaration of honor of the candidate stating they have already obtained the recognition of the foreign degree equivalent to the master. The record(s) of recognition of the academic degree(s) must be handed in by the scholarship contracting date;
3. Proof of enrollment in a master's degree or in a non-graduating programme {programmes referred to in paragraph e) of paragraph 3 of article 4 of Decree-Lawno.74/2006, of March 24, in its current wording}, or declaration of honor of the candidate in which they undertake to register by the scholarship contracting date, considering that the granting of the scholarship is conditional on the existence of registration valid for a maximum period of six months from the date of communication of approval in the context of scientific evaluation, under the terms of paragraph 2 of article 9 of the P.PORTOResearchGrantsRegulation;
4. Motivation letter;
5. Declaration, under oath, where the applicant declares that:
 1. knows P.PORTOResearchGrantsRegulations, and undertakes to comply with them;
 2. does not exceed, with the conclusion of the scholarship contract in question, an accumulated period of two years in this type of scholarship, followed or interrupted, if the applicant is enrolled in a non-graduating programme.

If the documents indicated in b) are not available, then the respective curriculum information is not taken into account when applying the Curriculum Assessment selection method. Failure to present the documents proving the admission requirements, namely those indicated in paragraphs c) and e), will be grounds for exclusion.

Applications sent via email or any other electronic means other than the one specified will not be accepted.
