## Benefits

The monthly amount of the grant corresponds to 1 199,64 euros (one thousand one hundred and ninety- nine euros and sixty-four cents), according to FCT table in force([https://www-fct.pt/wp-content/uploads/2023/02/Tabela-de-Valores-SMM\\_2023.pdf](https://www-fct.pt/wp-content/uploads/2023/02/Tabela-de-Valores-SMM_2023.pdf)), and is paid according to the P.PORTO Research Grant Regulations, and the Request for Authorization of Expenditure (PAD) n.º ISCAP5572. To the scholarship amount is added the payment of the Voluntary Social Insurance (SSV), in the amount of

€142.21, as provided for in paragraphs 4 and 5 of Article 10 of the Research Fellowship Statute.

Pursuant to article 19 of the P.PORTO Research Grants Regulations, CEOS.PP is also charged with the payment of any travel, accommodation and food subsidies for travel within the country, abroad and abroad, authorized or determined by CEOS.PP and related to the aforementioned work plan. Payments for these charges are made under the conditions laid down in the regime practiced by ISCAP/P.PORTO, namely in the per diem allowance system applicable to public servants, with ISCAP/P.PORTO being responsible for assessing the respective legality.

## Eligibility criteria

1. 1. to hold a Master's Degree in one of the above fields.
2. If the applicants are following a non-graduating programme:
  1. to be enrolled, upon signature of the grant contract, in a non-graduating programme offered by a Higher education Institution, in cooperation with one or more R&D units (cf. programmes referred to in line e) from no 3 of Article 4th of the Decree-Law no. 74/2006, of March 24, in its current wording};
  2. Not to exceed, with the conclusion of the scholarship contract, an accumulated period of two years in this type of scholarship, consecutive or interpolated.
3. If the applicants are master students, they should be enrolled, on the date of contracting the scholarship, in a master's degree.
4. If the applicants are doctoral students: they should have a master's degree and be enrolled, on the date of contracting the scholarship, in a doctoral degree.

Specific requirements:

1. Mastery in the use of information and communication technologies, namely in information search, retrieval and management.
2. English level B2.

## Selection process

1. The selection methods to be used are:
  1. Curricular evaluation, with a weighting of 50%;
  2. Interview, with a weighting of 50%, which will be applied to the first six candidates in the Curricular Evaluation, in descending order of ranking.

1. The respective evaluation parameters are:

1. Curriculum Assessment:

- Final average grade of the degree required (between 10 and 12 values – 2 points; between 13 and 15 values – 4 points; between 16 and 18 – 6 points; and between 19 and 20 values – 10 points);
- Training actions supplementary to the diploma, (up to 12h – 1 points; between 13h and 48h – 2 points; between 49h and 100h – 3 points; and more than 100h – 5 points).
- Scientific presentations and publications (2 points for each article in a SCOPUS or WoS indexed journal; 1 point for each article in a SCOPUS or WoS indexed conference; ½ point for each article in a non-indexed SCOPUS or WoS publication - to a maximum of 5 points) Interview:
  - Aims to evaluate: EPA) professional/academic experience; AC) behavioral aspects, namely those related to motivation and availability to perform duties, interpersonal relationships, oral communication and problem-solving skills; GP) knowledge and experience in project management; AD) knowledge and experience in organizing, processing and analyzing data; ICT) mastery in the use of information and communication technologies, namely in information search, retrieval and management.

- This parameter is evaluated according to the classification levels of High, Good, Satisfactory, Poor, and Insufficient, to which correspond, respectively, the classifications of 20, 16, 12, 8, and 4.
  - The final result (RF) of the interview is obtained by the simple arithmetic mean of the scores of the elements to be evaluated:
    - $RF \text{ of Interview} = (EPA+AC+GP+AD+TIC) /5$ , where:

-EPA - professional/academic experience;

- - - AC - behavioral aspects;
    - GP - project management
    - AD - data organization, processing and analysis;
    - ICT - information and communication technologies.
